A. Quantities

All quantities entered by the Agency herein and within the corresponding Pricing Items on the Marketplace are for calculating purposes only. As may be further detailed herein, the Agency does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFP, as the Agency anticipates that the ensuing contract may be a Requirements Contract, in which case the Agency shall retain one Contractor only and shall retain the right to order from that Contractor

(successful proposer), on a task order basis, any amount of services the Agency requires. Please note the immediately following exception to the aforementioned "Requirements Contract" language.

- a. **Exception to 6.2.(A)**
Though the Agency anticipates that it might make award to one firm only, the Agency retains the right to, at any time during the ensuing contract period(s), complete award to more than one Contractor if the Agency determines that such is in its best interests. If such occurs, the ensuing contract(s) awards shall become an Indefinite Quantities Contract (IQC), and the following clause shall apply:
- b. **Guaranteed Contract Minimum Amount and not-to-exceed Maximum Amount.**
As may be further detailed herein, most specifically within the preceding Section, if the ensuing contract becomes an Indefinite Quantities Contract (IQC), which, pursuant to HUD regulation, requires the Agency to award to each responsive and responsible Contractor a Guaranteed Contract Minimum Amount (GCMA) and a Not-to-exceed Maximum Contract Amount (NMCA) of work, those required minimum and maximum contract levels are: (a) GCMA: \$2,000; (b) NMCA: \$300,000 (each shall be annual amounts).
- c. **Exceptions Pertaining to the GCMA.**
The noted GCMA (but not the entire Contract, only the restrictions pertaining to the set GCMA) will be null and void for any Contractor that chooses to reject a total of three (3) requests from the Agency to be available for work during the contract period.
- d. **(PLEASE NOTE:** This clause does not pertain to any Contractor that, as detailed within the preceding section c, has had the GCMA declared null and void during the current contract period). If, during the final 3 months of the contract period, the Agency has not made a task order award to any Contractor(s) in the pool that would ensure that award(s) to the Contractor reaches the \$2,000 GCMA, the Agency shall retain the right to suspend the process detailed within Section 5.5. herein and complete an award directly to any such Contractor, thereby reaching the GCMA (once the GCMA has been met, this exception is no longer available during that contract period and the procedure set within Section 5.5. is again in affect).
- e. **Entry of Fees.**
Proposers are required to submit a proposal, where provided for within the eProcurement Marketplace, for each Pricing Item detailed within Table No. 2. Whereas no additional proposal prices can or will be received after the proposal submittal deadline, any proposer that does not comply with this requirement shall be rejected without further consideration.
 - a. **Warning! Realistic Proposed Cost for the Pricing Items.**
Each proposer is strongly encouraged to enter where provided within the eProcurement Marketplace a realistic cost for each Pricing Item listed within the preceding Table No. 2. For example, if the successful proposer enters \$1.00 per hour for an "hourly" Pricing Item, then the \$1.00 per hour is what the successful

proposer will charge the Agency for the work that the Agency may retain the successful proposer to provide if the Agency deems such retention is in the Agency's best interests to do so. Further, if, despite this warning, the successful proposer proposes a very low fee that the Agency deems is not realistic, then the Agency reserves the right to require the successful proposer to, at contract execution, present a cash bond in a suitable amount (e.g., \$5,000.00) to ensure that the successful proposer will fulfill his/her obligation in this matter.

b. **No Negotiation of Proposed Fees after the Submittal deadline.**

The Agency WILL NOT, after the submittal deadline, negotiate an increase to any unit costs or fees proposed prior to the submittal deadline; accordingly, proposers are strongly cautioned to submit a realistic price for each Pricing Item identified within the preceding Table No. 2 herein that the proposer chooses to submit a proposed cost for.

c. **Review the Entry of Proposed Fees.**

The Agency strongly recommends that each proposer, after entry of these proposed fees within the eProcurement Marketplace, print the receipt provided and review the entry to ensure that the proposer has entered the proposed fees correctly and as the proposer intended to meet the requirements herein (the eProcurement Marketplace will allow the proposer to immediately re-enter the Marketplace at any time prior to the posted deadline to correct any such entry). The proposer will NOT be able to correct this entry after the posted deadline has expired, which means that the Agency will utilize such entry, correct or incorrect.

- After a proposer has entered where provided within the eProcurement Marketplace his/her proposed unit costs for the Pricing Items the eProcurement Marketplace will automatically multiply the proposed unit costs by the listed quantities.

d. **Potential Escalation of Labor Rates.**

At the discretion of the CO, at the end of the first one-year contract period (and at the end of any ensuing extended contract period), there may be an escalation of labor costs allowed in the same amount of any escalation that occurs pertaining to the corresponding or most similar State of Georgia Prevailing Wage Rates ("most similar," as determined by and at the sole discretion of the Agency). For example, if, at the end of the first contract period the listed prevailing wage rates increase 5% as compared with the listed rates on the date of contract execution, then the Contractor will, at the CO's discretion, be entitled to a 5% increase in the labor rates that he/she submitted in response to this RFP. Similarly, for ensuing years, the end-date of the previous contract period shall be the base-line date to determine the previous listed wage rate.

- **Notification Must Be Received from the Contractor.**

The Contractor must notify the CO, in writing, of such desired escalation at least sixty (60) days prior to the end of the noted contract period(s). Such escalations may occur no more than once in any 12-month period without the express written consent of the CO.

e. **Right to Reject.**

As stated within the preceding Section the Agency reserves the right to reject any such request for an increase in fees if the Agency feels doing so is in its best interests. Similarly, the successful proposer has the right to terminate services if the Agency rejects the request for an increase. This will occur in the following manner (procedure):

- **Step No. 1.** The successful proposer submits his/her written request for an increase, accompanied by the required documentation, to the Agency CO within the required 60-day period (please see the preceding Section 3.3.3.1 herein);
- **Step No. 2.** The Agency considers the requested increase and, within 10 days of receipt of such, issues a written response to the successful proposer as to if the request is approved or rejected;
- **Step No. 3.** If rejected and the successful proposer wishes to, as a result, cease providing the services to the Agency, the successful proposer has 10 days from the receipt of the written notice of rejection to deliver to the Agency CO a written notice that he/she is hereby invoking his/her right to discontinue the services within 120 days of the date this notice was delivered to the Agency (the specific date 120-days hence shall be written within the notice);
- **Step No. 4.** The Agency will then endeavor to ensure that the Agency makes other arrangements to replace the successful proposer (e.g. contract with another firm; do the services in-house; etc.) as the Contractor for the applicable services; further, if such other arrangements are completed by the Agency prior to the aforementioned 120-day date, the Agency shall retain the right to deliver to the original successful proposer, a 10-day written notice to cease services (meaning, the 120-day period is a maximum additional contract period that the Agency may, at its discretion, shorten with such written notice).

f. **Compensation for Non-Regular-Time Hours.**

Pursuant to the Agency's regular scheduled work hours. Overtime shall be not less than time and one half for hours worked in excess of 40 hours per week. The Agency shall consider the regular time to be Monday-Friday (excluding holidays), 8:00 AM – 4:30 PM. Accordingly, the Agency will pay a rate of 1.5 of

the proposed hourly rates herein for any work the Agency requires the successful proposer to work specifically during non-regular-time hours; however:

- a. The Agency shall NOT be responsible to pay the successful proposer for any work that the successful proposer CHOOSES to work during non-regular-time hours; meaning, if the necessity for the work “after hours” is due to the Contractor’s lack of staffing or if such work is to support any of the work the Agency expects that such work will be provided during normal work hours. The exception to this shall be if a “non-normal” action by the Agency or an “Act of God” causes the Contractor to work “after hours” to solve the problem, then aforementioned non-regular-time rule shall apply. All such non-regular-time work must be pre-approved in writing by the Agency.
- g. **Davis-Bacon Prevailing Wage Rates.**
As may apply by statute, regulation or law, if, at any time during the ensuing contract period(s), the Agency needs the successful proposer to provide services that require the successful proposer to pay Davis-Bacon for a specific task order pertaining to the ensuing contract, then to compensate the successful proposer for any amount that the applicable Davis-Bacon rates are greater than the portion of the applicable hourly fees listed within the Pricing Items identified within the preceding Table No. 4 herein that the Contractor actually pays to each such person performing the work, as verified by payroll records (or any similar hourly fee that is increased as a result of Section 6.2. (B)(a) herein), the Agency shall:
- a. Ascertain the applicable portion of the hourly wage rate(s) that is actually paid to the Contractor’s employee;
 - b. Ascertain the current applicable Davis-Bacon or State Prevailing Wage Rate(s) that applies;
 - c. Ascertain the difference between the two rates, which amount the Agency will pay to the successful proposer for that task order only to compensate the Contractor for the difference in pay between the rate the Contractor normally pays the employee and the rate the Contractor is required to pay the employee as the result of the Davis-Bacon law.
- h. **Prior Agency Approval Required.**
Please note that the successful proposer shall NOT conduct any additional work without the prior written authorization of the Agency representative (via delivery of a Task Order, which may take the form of an email). Failure to abide by this directive shall release the Agency of any obligation to pay the successful proposer for any work conducted without the noted prior written authorization.

i. **No Deposit/No Retainer.**

The Agency will NOT pay any deposits or retainer fees as a result of award of the ensuing contract. This means that the Agency will pay the successful proposer(s) for actual hours worked only. The Contractor will be required to submit a full back-up detail of all hours worked, listed by no less than the “30-minute” standard.

6.3. **PROPOSAL SUBMISSION**

All hard-copy” proposals must be submitted and time-stamped received in the designated Agency office by no later than the submittal deadline stated herein (or within any ensuing addendum). A total of 1 original signature copy (marked "ORIGINAL") and 4 exact copies (each of the 5 separate proposal submittals shall have a cover and extending tabs) of the “hard copy” proposal submittal, shall be placed unfolded in a sealed package and addressed to:

Housing Authority of Savannah
Attn: Carl M. Edwards, Procurement Manager
RFP No. 09192023 Construction Management Services
1407 Wheaton Street
Savannah, GA 31404

A. **Exterior of the Submittal Package.**

The package exterior must clearly denote the above noted RFP number and must have the proposer’s name and return address. Proposals received after the published deadline will not be accepted.

B. **Submission Conditions.**

DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS, OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the Agency by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the Agency decides that any such entry has not changed the intent of the proposal that the Agency intended to receive, the Agency may accept the proposal and the proposal shall be considered by the Agency as if those additional marks, notations, or requirements were not entered on such. By accessing the eProcurement Marketplace, registering, and downloading these documents, each prospective proposer that does so is thereby agreeing to confirm all notices that the Agency thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFP.

C. **Submission Responsibilities.**

It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements, and specifications set forth within all applicable documents issued by the Agency, including the RFP document, the documents listed within the following Section 6.6., and any addenda and required attachments submitted by the proposer. By virtue of completing, signing, and submitting the completed documents, the proposer is stating his/her agreement to comply with all conditions and requirements set forth within those documents. Written notice from

the proposer not authorized in writing by the CO to exclude any of the Agency requirements contained within the documents may cause that proposer to not be considered for award.

6.4. PROPOSER'S RESPONSIBILITIES - CONTACT WITH THE AGENCY

It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the CO only. Proposers must not make inquiry or communicate with any other Agency staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may be cause for the Agency to not consider a proposal submittal received from any proposer who has not abided by this directive.

A. Addenda.

All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the CO will NOT conduct any *ex-parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the RFP are made—between the Agency and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective proposer's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

6.5. PROPOSER'S RESPONSIBILITIES - EQUAL EMPLOYMENT OPPORTUNITY AND SUPPLIER DIVERSITY.

Both the Contractor and the Agency have, pursuant to HUD regulation, certain responsibilities pertaining to the hiring and retention of personnel and subcontractors.

A. Within 2 CFR §200.321 it states:

- a. Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.
- b. **(a)** The non-federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
- c. **(2)** Affirmative steps must include:
 - (1)** Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - (2)** Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
 - (3)** Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

- b. Section 15.5.B, Goals. The Agency is encouraged to establish goals by which they can measure the effectiveness of their efforts in implementing programs in support of . . . contracting with disadvantaged firms. It is important to ensure that the means used to establish these goals do not have the effect of limiting competition and should not be used as mandatory set-aside or quota, except as may otherwise be expressly authorized in regulation or statute. Some localities have adopted minority contracting set-aside policies or geographic limitations, which may be in conflict with Federal requirements for full and open competition.

C. Within our Agency Procurement Policy it states that our Agency will:

business concerns which provide opportunities to low- income residents, as described in 24 CFR Part 75 (so-called Section 3 businesses); and

- Requiring prime contractors, when subcontracting is anticipated, to take the positive steps listed above.

SECTION 8: Solicitation and Contract Terms and Conditions

The following terms and conditions shall apply to and survive this Solicitation and be incorporated into the Contract:

8.1. ACCEPTANCE AND REJECTION OF PROPOSALS

The Agency reserves the right: (i) to accept or reject any or all Proposals in whole or in part; (ii) to waive any technicalities or informalities in Proposals; and (iii) to cancel or postpone this Solicitation at any time if determined to serve the best interests of the Agency. The Agency may reject the Proposal of any Proposer in arrears or in default to the Agency on any contract, debt, or other obligation.

8.2. ACCURATE INFORMATION

The Proposer certifies that all information provided or to be provided to the Agency is true and correct and may be relied upon by the Agency in awarding the Contract. Any false and/or misleading information is cause for the Agency to reject the Proposer's Proposal or to terminate the Contract if awarded to the Proposer. Such rejection or termination shall relieve the Agency of any direct or consequential damages or costs incurred by the Proposer.

8.3. ADDENDA AND AMENDMENTS

In the event any addenda or amendments are issued to this Solicitation, all the terms and conditions of this Solicitation shall govern and apply unless specifically stated or modified in any such addenda or amendments. Any and all written communication not posted on the Procurement Webpage relative to this Solicitation shall not be considered binding, valid or enforceable. It is the responsibility of the Proposer to inquire about and obtain any and all addenda and/or amendments issued, all of which shall be published on the Procurement Webpage.

8.4. ALTERNATE PROPOSALS

The Proposer is expected to clearly respond to the requirements set forth in this Solicitation. Any and all alternate Proposals for the Services shall be rejected as non-responsive and shall be removed from consideration.

8.5. ASSIGNMENT OF THE CONTRACT

The Agency's rights under the Contract are personal to the Contractor. It is mutually understood and agreed that the Contractor shall not assign, convey, sublet, transfer or otherwise dispose of its Contract or its right, title or interest therein, or its power to execute the Contract, to any other person without the express written consent of the Agency; however, in no case shall such consent relieve the Contractor from its obligations under the Contract or change the terms and conditions of the Contract.

8.6. BINDING PROPOSAL

All Proposals shall remain binding for 180 calendar days following the Submission Deadline; Proposals may not be withdrawn at any time within this period. In the event an award is not made during such period, all Proposals shall be automatically extended and remain binding for an additional 180 calendar day period. Proposals shall automatically be renewed until such time as either an award is made or proper notice is given to the Agency by a Proposer of its intent to withdraw its Proposal. Proposals may only be withdrawn by written notice to the Agency at least fifteen (15) calendar days prior to the expiration of the then current 180 calendar day period.

8.7. CHANGES IN GOODS AND/OR SERVICES

The Agency, without invalidating the Contract, may order changes in the goods and/or services

within the general scope of the Contract, consisting of additions, deletions and/or other revisions, and the Contract sum and term shall be adjusted accordingly. Any cost or credit to the Agency from a change in Services shall be determined by mutual written agreement between the Agency and the Contractor. Reasonable grounds for believing that any Proposer has interest in more than one (1) Proposal for this Solicitation, both as the Proposer and as a subcontractor for another Proposer, shall result in the rejection of all Proposals in which the Proposer has interest and disqualify the Proposer from responding to any reissuance of this Solicitation. However, a Person acting only as a subcontractor may be included as a subcontractor for multiple Proposers. The Agency may reject all Proposals if reasonable cause exists for believing that collusion exists among Proposers.

8.20. INCONSISTENT PROVISIONS

The submission of any Proposal by way of facsimile or e-mail is strictly prohibited; any and all Proposals submitted as such shall be rejected as non-responsive. The Agency assumes no responsibility for any delays and/or errors in the delivery of a Proposal; postmarking by the Submission Deadline shall not substitute for actual receipt. Any and all Proposals submitted not in compliance with any of the provisions of this paragraph shall be rejected as non-responsive.

8.23. LAWS AND REGULATIONS

The Contractor shall comply with any and all applicable federal, state and local laws, codes and regulations with respect to the Services under the Contract.

Such action shall include but not be limited to the following: employment, upgrade, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation.
- c. In all solicitations for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. The Contractor agrees to use clauses similar to those above in all contracts and subcontracts. In the event the Contractor fails to comply with the nondiscrimination clauses of the Contract, or fails to include such provisions in all contracts and subcontracts, as hereinabove provided, the Contract may at the sole discretion of the Agency be declared void AB INITIO, canceled, terminated or suspended in whole or in part with waiver of any recourse by the Contractor against the Agency or its officials or employees, and the Contractor may be declared ineligible for further contracts with the Agency.

B. Any employee, applicant for employment, or prospective employee with information concerning any breach of these requirements may communicate such information to Agency Contracting Officer who shall commence a prompt investigation of the alleged violation. Pursuant to such investigation, the Contractor shall permit access to their books, records and accounts. In the event the Agency Contracting Officer concludes, on the basis of such investigation, that the Contractor has failed to comply with these nondiscrimination clauses, the Agency Contracting Officer may invoke the remedies hereinabove set out.

- B. The Contractor shall include similar provisions in all subcontracts.

8.32. RIGHT TO NEGOTIATE FINAL FEES

The Agency shall retain the right to negotiate the amount of fees that are paid to the Contractor, meaning the fees proposed by the top-rated proposer may, at the Agency's options, be the basis for the beginning of negotiations. Such negotiations shall begin after the Agency has chosen a top-rated proposer. If such negotiations are not, in the opinion of the CO successfully concluded within five (5) business days, the Agency shall retain the right to end such negotiations and begin negotiations with the next-rated proposer. The Agency shall also retain the right to negotiate with and make an award to more than one proposer.

The Proposer is expected to carefully and thoroughly examine all of the Solicitation Documents for accuracy and completeness, and to become familiar with the same. If doubt exists as to the meaning and/or intent in or of any of the Solicitation Documents, the Proposer shall make an inquiry as to such meaning and/or intent. The failure of the Proposer to examine and become familiar with any and all of the Solicitation Documents shall in no way relieve the Proposer of its obligations under the Contract, if awarded to the Proposer. The submission of a Proposal shall be taken as prima facie evidence of compliance with this provision and that the Proposer fully understands everything in the Solicitation Documents.

8.34. SOLICITATION PROTEST

The Contractor shall not be responsible for damages under this article solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the Agency from terminating the Contract for such delay.

B. Termination for Convenience

- a. The Agency may, upon written notice and without cause, terminate the Contract in whole or in part at any time for its convenience. In such instance, payment shall be made to the Contractor for the reasonable costs of the work performed through the date of termination. Termination costs do not include lost profits, consequential damages, delay damages, unabsorbed or under-absorbed overhead of the Contractor or its subcontractors or suppliers.
